PRODUCT DESCRIPTION

Unigloves PROFIL PLUS®

The **Unigloves Profil Plus** face mask can be used in the **medical sector** as well as in **private** areas. It is also safe thanks to the tested **EN 14683 standard (Type II R)**. A 3-fold **glassfibre-free** filter medium offers **98% protection** against **bacteria**, both for the **user** and the environment. The flexible **nose clip** (nickel-free) allows the mask to be optimally adjusted to the wearer's needs. Comfortable **skin-friendly** elastic bands (latex-free) provide a good fit on the head.

Choose your favourite colour and match the face mask individually to your colour scheme.
